PARENT TESTIMONY

As stated on page nine in the student handbook; Village Christian Academy is a Christ-centered school which functions as a service to the larger Christian community on behalf of Village Baptist Church. The hallmark of the Academy is its commitment to develop the individual student's full potential in Christ. We encourage applications from all Christian families who are seriously interested in the school's programs. In keeping with the mission statement of the school, we seek excellence in Christ as well as diversity in our student body. Village Christian Academy admits students of any race, color, national origin, or ethnicity to all the rights, privileges, programs, and activities made available at the school.

The Academy accepts students based upon a personal interview with the child and parents, information learned through the admissions screening process, prior scholastic records, and testing. Through these criteria, the school seeks to admit children who clearly demonstrate the following:

- An acceptance of Jesus Christ as Lord by one of the parents or guardian, and student if applicable, and are active in a local, Bible believing church
- A likelihood of academic success within VCA's academic program
- High moral character
- The ability to adapt to standards that accompany a Christ-centered education.
- Personal testimony

With this in mind we ask you, as parents to briefly provide a testimony of your relationship with our Lord and Savior Jesus Christ.
