Advertising Banners for Athletic Facilities

The VCA Athletic Booster Club invites Fayetteville area merchants, professionals, businesses and parents of VCA athletes / students to advertise at athletic events by purchasing a 3 ft x 5 ft vinyl banner that will be displayed on the fences of our athletic fields for 2 years. Additionally, a placard with the names of participating businesses / individuals will be hung in the gym for the same time period. Proceeds from the sale of banners are directly allocated for the VCA Athletic Department to supplement the needs and operating expenses of all VCA athletic teams.

We are excited to offer the following options for our advertising partners:
